1. The following statement has been received from ODENVY in reply to a new query which was sent recently:

"Our files contain no data which can be identified with Magdelein NEUHAUSSER. One Paul Richard NEUHAUSSER was a witness to the naturalization of Walter KLOTZ, who was investigated during the 1943-1944 period for possible denaturalization based on alleged pro-Nazi sympathies. One individual interviewed in the course of the KLOTZ investigation inferred from a conversation with NEUHAUSSER that he did not like remarks made against the Hitler regime. It was ascertained that NEUHAUSSER was the uncle of KLOTZ and that KLOTZ had entered the United States in 1929 destined to the home of NEUHAUSSER in Cincinnati, Ohio."

2. The above information may be passed to UPHILL, provided that ODENVY is not identified as source.

3. Trace results on Walter KLOTZ will be forwarded.
